Adjourn

Dates to Note:

| | |
|-----------------|--------------------------------|
| Regular Meeting | June 10th 9:00 a.m. |
| Summer Tour | June 26-28 Fargo/Moorhead area |

The goals of the Yellow Medicine Watershed Partners are to: (1) mitigate altered hydrology and work to reduce the potential for flooding; (2) minimize the transport of excess nutrients, sediment, and bacteria into our surface waters; and (3) preserve and protect groundwater quantity and quality.
